Dear Parents,

We look forward to working with each of your scholars throughout the year and helping them succeed. We are excited to partner with you and create a successful relationship between school and home that will benefit your child. To help ensure your child has the tools they need to succeed, we have developed a supply list which can be found on the other side. We would appreciate having those supplies by the first day of school, September 5.

To ensure that all students use only their own supplies we ask that you **label** the following supplies: School Bag and School Box. We will store the extra supplies until your child needs them.

Also, we would like you to send in a change of clothes for emergencies or accidents that may happen this year. This set of clothes does not need to be a uniform, but please include a shirt, pants, underwear, and socks **all labeled** in a plastic shoe box or bag with your child's name.

As you have seen, we have used the word label many times. It would be very helpful if you would label all jackets, coats, sweaters, hats, gloves, and scarves with your child's name. We want to be sure everyone keeps their belongings to themselves.

We will reach out to you to schedule your Beginning of the Year Interview. We look forward to working with you and your scholars this school year.

Sincerely,

The Kindergarten Teachers
